### **Lancaster Holesaws**

- Are M42 Cobalt Bi-Metal HSS Holesaws which cut faster, cleaner and last longer than ordinary M3 Bi-Metal high speed steel holesaws.
- Will cut through cast iron, mild steel and stainless steel; unlike most M3 HSS holesaws.
- Are exceptional tradesman quality, at a DIY price.
- Available as individual items or in kit form supplied in an aluminium carry case.
- Every product is hang-sell packaged and bar-coded.

**The Lancaster M42 holesaws have been independently tested on 10 Gauge, Marine Grade 316 stainless steel and found the Lancaster M42 outperformed and outlasted the best selling brand on the market.**

**You'll experience:**  
**Good margins on sales**  
**High quality means customer satisfaction**  
**Repeat sales and customer loyalty**  
**Merchandisers and signage available**

**100% Australian Owned**

# HOLESAW SETS

## Electrician's Holesaw Set - 9pc

Item# LHSELE

- Includes holesaws 16, 20, 25, 32, 40 & 51mm
- Includes 2x arbors and 1x 1/2UNF to 5/8UNF adaptor
- M42 Grade steel holesaws
- 8% Cobalt
- Variable pitch
- Aluminium carry case
- Industrial quality

RRP: \$115.00

## Plumber's Holesaw Set - 7pc

Item# LHSPLU

- Includes holesaws 44, 57, 60, 73, 95 & 114mm
- Includes 1x quick change arbor
- M42 Grade steel holesaws
- 8% Cobalt
- Variable pitch
- Aluminium carry case
- Industrial quality

RRP: \$195.00

## General Purpose Holesaw Set - 9pc

Item# LHSGEN

- Includes holesaws 19, 22, 29, 38, 44 & 54mm
- Includes 2x arbors and 1x 1/2UNF to 5/8UNF adaptor
- M42 Grade steel holesaws
- 8% Cobalt
- Variable pitch
- Aluminium carry case
- Industrial quality

RRP: \$115.00

## Adjustable Hole Cutter Set - 200mm

Item# LHC200

- Adjustable cutting diameter 40-200mm
- Includes TCT and HSS cutting blades
- Supplied with transparent cowl to retain flying debris whilst cutting
- Ideal for downlight installations
- Suitable for cutting soft wood, plasterboard, aluminium, plastics & more

RRP: \$140.00

## Adjustable Hole Cutter Set - 300mm

Item# LHC300

- Adjustable cutting diameter 40-300mm
- Includes TCT and HSS cutting blades
- Supplied with transparent cowl to retain flying debris whilst cutting
- Ideal for downlight installations
- Suitable for cutting soft wood, plasterboard, aluminium, plastics & more

RRP: \$150.00

## M42 Bi-Metal Holesaws - Individual

- M42 Grade steel holesaws
- 8% Cobalt
- Variable pitch
- Industrial quality
- Suitable for wood, plastics, cast iron, brass, stainless steel, bronze, aluminium, MDF, particle board, mild steel and more

# CUTTING TOOLS

## Countersink Set - 5pc

Item# LCSKS5

- Includes sizes: 5/64", 3/32", 7/64", 1/8" and 9/64"
- Each countersink supplied with standard point HSS drill bit
- Allen key provided
- 1/4" standard hex shank

RRP: \$16.90

## Drill Adaptor Set - 7pc

Item# LDAS07

- Includes sizes 1/16" to 1/4" x 1/32" increments
- Standard 1/4" hex shank
- Convert standard drill bits to 1/4" hex power bits
- Supplied with standard point HSS drill bits

RRP: \$40.00

## TCT Forstner Boring Bit

Item# LF8B35

- For the installation of self-closing hinges
- Tungsten carbide tipped for longer cutting life
- For best results, use with a drill press
- 1/4" standard hex shank

RRP: \$35.00

## Double Ended Panel Drills

Item# LDE30

- Double Ended #30 (3.3mm)
- Suits 1/8" (#4) rivets
- Bulk pack of 10 (10 = 10 drills)
- Industrial quality

RRP: \$1.20

## Holesaws (extended range-boxed)

**Cobalt**  
suitable for  
stainless steel

Item #	Size (mm)	RRP
LHSB105	105	\$39.00

LHSB121	121	\$44.00
LHSB127	127	\$45.00
LHSB152	152	\$55.00
LHSB169	169	\$57.00
LHSB200	200	\$62.00
LHSB210	210	\$65.00

## Diamond Cut Off Wheel - 3pc Set

Item# LDW3

- 100mm Diameter
- Standard 20mm bore
- Including 16mm bush
- 3pc Set includes dry cutting blade, general purpose blade & abrasive cutting blade

RRP: \$16.00

## Multi-Purpose Drill Set - 5pc

Item# LMPD5

- Includes sizes 4, 5, 6, 8 & 10mm
- Quad-tip design
- Carbide tipped
- Aluminium carry case
- Suitable for various materials such as steel, wood, tiles, porcelain, plastics, glass and much more

RRP: \$45.00

## Multi-Purpose Drill - 6mm

Item# LMPD06

- 6mm Multi-purpose drill
- Sold as a twin pack
- Quad-tip design
- Carbide tipped
- Suitable for various materials such as steel, wood, tiles, porcelain, plastics, glass and much more

RRP: \$15.00

## Needle File Set - 6pc Set

Item# LNF6

- 6 Assorted needle files with handles
- Retail packed

RRP: \$6.50

All prices shown excluding GST and subject to current freight policy. E. & O.E.  
All products manufactured to Lancaster Tools specifications.  
Lancaster is the trade mark of JPM Tools Pty Ltd.

# HAND TOOLS

## Self-Loading Snap-Off Knife

Item# LK618

- 18mm Snap off blade
- Includes 6 blades
- Safety rubber non-slip grip
- Self-loading blade cartridge
- Comfortable ergonomic handle

RRP: \$6.50

## Snap-Off Knife Incl. 3 Blades

Item# LK318

- 18mm Snap off blade
- Includes 3 blades
- Anti-slip blade lock
- Built-in blade storage cartridge

RRP: \$3.30

## Snap-Off Replacement Blades

Item# LRB10

- 18mm Replacement snap off blades
- Supplied in handy storage container
- Pack of 10
- Retail hang pack

RRP: \$2.50

## Professional Hacksaw

Item# LHSF300

- 300mm Blade
- Unique tension lever for fast & safe blade change
- Non-slip grip
- Aluminium alloy handle

RRP: \$21.00

## Tape Measure Met/Imp - 8M

Item# LTM8

- Magnetic end-hook provides convenient measuring
- Rubber cover for superior strength
- 8M/26ft Measuring Capacity
- Belt clip and wrist strap
- 3 Stops for ease of use
- Retail hang pack

RRP: \$11.00

## Measuring Wheel

Item# LMW12

- Ergonomic grip with trigger brake and reset knob
- Durable ABS wheel and body
- Steel axle ensures longer product life
- Large easy to read display
- Measures up to 9999 metres
- Supplied with backpack storage bag

RRP: \$149.00

## Adjustable Wrench - 3pc Set

Item# LAW3

- Includes sizes 150, 200 & 250mm
- Drop forged chrome vanadium steel to take high torque loads
- Smooth jaw adjustment and operation
- Ergonomic designed handle for greater grip
- Comfortable rubber grip

RRP: \$39.80

## Rubber Mallet 16oz Item# LRM16 Rubber Mallet 24oz Item# LRM24

- Rubber mallet available in two sizes: 16oz and 24oz
- Fibreglass handle for durability
- Non-slip soft grip for superb balance

16oz RRP: \$9.80

24oz RRP: \$12.00

## Steel Handi-File

Item# LHF8

- The handi-file is a handled file with Bastard cut on one side and 2nd cut on the reverse with one side having a safe edge for close edge work.
- Only available in a pack of 12

RRP: \$120.00
